

Criw Cymraeg is a pupil voice set up to encourage and promote the use of Welsh throughout the school, across the curriculum and in all areas of school life. Criw Cymraeg meet regularly and are fully involved in planning new and exciting ways to develop and encourage fellow pupils and adults to speak Welsh as much as possible in our school, for example saying 'diolch' instead of 'thank you' and responding with 'croeso' - 'you're welcome'.

The targets are broken down into 10 areas

They teach Welsh playground games to other children in school and lead the Welsh assembly where they give out Welsh certificates to the children from each class who have tried their best to show they are improving their use of Welsh.

Llangors Church in Wales School is proud to be a school in Wales and the Welsh language plays an important part in school life. Children hear the language being spoken naturally throughout the day and are encouraged to use Welsh incidentally themselves.

Our school is working to achieve the 'Cymraeg Campus language Charter' and Criw Cymraeg are instrumental in leading and driving the Language Charter forward. The Charter is based on the principle that we follow challenging but attainable targets in connection with promoting the use of the Welsh language.

- 1- Establishing a visual Welsh Ethos
- 2- The advantages of Learning Welsh
- 3- Using incidental Welsh in the classroom
- 4- Using incidental Welsh outside of the classroom
- 5- Welsh in assemblies
- 6- Using apps and websites to enhance learning and enjoyment
- 7- Enrichment activities
- 8- Developing Reading
- 9- Using Welsh across the curriculum
- 10- A positive attitude

There are three awards for us to work towards -bronze, silver and gold and we have ten targets to achieve for each. The aim of the charter is to promote a strong Welsh ethos in the school and to inspire everyone to use their Welsh in all aspects of their lives.
